We are truly happy to have you play Ultima Chronicles, ELENation, and even consider joining us again. We can't stop thinking about the friends we had before 'deadknight' and 'zeusoutofheaven' left.

To introduce players and supporters of the previous games, we've even included our previous sales information;

Opening hour of November 18th, from 8 PM to 12AM: 1027 people
Opening hour of November 19th, from 8 PM to 2AM: 61 people

From November 18th, 2018 to November 29th, 2018: 1684 people

You can see the current rate of play with the following chart:

Not only did the sales rank increase, but also the diversity increased. Considering the fact that the Elden Ring was not a single game, but rather a concept, due to the time interval being awkward, we feel proud that the sales increased drastically every month. We did not set out to increase sales because we wanted to make a profit, but instead to see how you can connect and enjoy the game world that we have. We'll continue to prepare new games for you.

We hope this letter finds you well.
